

September 2024 Up-date from Byron & Danielle Sayer (working with InterAct):

Rounding the Corner....

As we round the corner into fall, and into what feels like transition areas in pretty much every area of life. It's hard to not reflect and see just how much we have to be thankful for. Seeing God's provision in both ours, and our children's lives, and seeing the Holy Spirit continue to move and shake us and those we serve. It is truly incredible the people that we have had in our lives, all through all lives who has built into us and God has used to drag us along this far!

Looking back at the summer- it was so good to be able to connect with a few of you Albertans as we spent time back there visiting some churches, and also doing summer Camps at Camp Nookoowai in Southern Alberta.

Our time spent at Camp Nookoowai was a great learning experience and an adventure as camp always is. It also provided a lot of opportunity for building a lot of new relationships with volunteers and campers alike.

The kids are jumping right into life here, both Teagan and Kadence are now in Calgary going to U of C and Ambrose respectively Hayden is working here in Vernon and Daman has started Grade 10. Danielle has taken a position with Shihiya School in Splatsin, as well as doing ministry with me as well so it will be a full plate for her this fall.

A few things to keep in prayer if you don't mind!

- For the Kamloops crew, a lot of core face have moved this summer and a bit of rebuild/change on the go mode there.
- Praise for those that stepped up in our absence this summer to help Valen and Carol out, and pray that God would continue to develop good leadership there.
- That God would give a clear vision for how to best spend our time serving him this fall and beyond and we have new things added to our plate.
- For each of the kids, as they grow as young adults and continue to discover their own faith journeys.
- Praise that the young man that is living with us is doing really well and the transition has gone as smoothly as it has.

Have an amazing day, we appreciate each one of you so much!

Byron

Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen. Ephesians 3:20-21
